

1. **HEALTH QUESTIONNAIRE** - Prior to training return and in **advance of all** training sessions and on that day, all players, mentors and anyone involved with teams must complete the online Health Questionnaire (as per last year) SITE/APP is www.returntoplay.gaa.ie or www.foireann.ie
2. **EQUIPMENT** - Do not share personal equipment, water bottles, gloves, clothes etc. Label bottles with names. Any club shared equipment will be sanitised after each training.
3. **PUNCTUALITY** - Parent/guardian must drop off and collect children punctually at the club. Please do not be late. Enough time is being allowed in scheduling training that no teams should overlap with another. Please check in with COVID Supervisor on arrival.
4. **HAND HYGIENE & TOILETS** - Ensure children wash hands and use toilet facilities at home prior to training. Please bring your own hand sanitizer to training/matches and sanitize hands before and after.
5. **Training** will be structured to adhere to social distancing guidelines and operate within PODS. If a player becomes unwell during training, they will be separated from the group by the COVID Supervisor, and their parent or guardian will be called immediately to collect them. There will be no dressing rooms available so players to arrive togged out. There will be limited toilet facilities available, but we would encourage players to use toilets before they arrive to training.

6. Further Information

GAA website <https://learning.gaa.ie/covid19resources>

HSE website <https://www.hse.ie/eng/>

It is the personal responsibility of everyone involved to comply with the required steps above. FAUGHS will use best endeavours to ensure we can all return to training and games as safely as possible.
