

Faughs GAA's mission is to serve our Community as a "Hurling and Camogie Club" where everyone is welcomed, all our players have the **opportunity to take part and reach their full potential both "on and off the pitch"** and everyone is inspired to keep a **lifelong engagement** with our Club.

## Child Protection and Welfare

Dear Players, Parents and Mentors,

Faughs GAA Club is fully committed to creating and maintaining the safest possible environment for all young people who participate in our activities.

We do our utmost to take all practicable steps to safeguard children from any discernible forms of abuse, harm, discrimination or degrading treatment and we respect their rights, wishes and feelings.

If you are a Juvenile member who is worried about your treatment within the Club, or an adult member or parent who has concerns about the welfare of a child, you are urged to contact the relevant Children's Officer. You can be assured you will be dealt with sensitively and in the strictest confidence.

### Faughs Children's Officers Team

The Club Children's Officers assist in promoting a child and youth centred ethos in the Club.

The Club Children's Officers are the link between the children/young people and the adults within the club. They are the voice of the child in the club.

The key role of the Club Children's Officers is to ensure the implementation and promotion of the relevant Code of Behaviour (Underage), to ensure that young people can participate, enjoy and benefit from our Gaelic Games in safe and enjoyable surroundings.
